

**Invitation for Market Sounding to Local and International Private Promoters
Implementation of a Solar PV Farm under PPP Leasing Agreement**

1. The Wastewater Management Authority of the Republic of Mauritius is inviting local and international private promoters to participate in a market sounding exercise for the implementation of a 9 MWac Solar Photovoltaic (PV) farm under a Public Private Partnership Leasing Agreement.
2. The aim of this market sounding exercise is to identify potential and capable private promoters wishing to enter into a Public-Private Partnership Leasing agreement with the Wastewater Management Authority (WMA) for designing, financing, installing, commissioning, operating, and maintaining a Solar PV (SPV) plant.
3. This market sounding exercise is being conducted solely for informational purposes and does not constitute a formal procurement process. Taking part in this market sounding exercise will neither confer advantages nor disadvantages to any respondent(s) in any subsequent procurement processes.
4. This market sounding exercise is deemed independent for and will not have any bearing whatsoever on any future procurement processes.
5. Interested parties may download the Market Sounding Questionnaire from the WMA or Public Procurement Portal website as follows:

https://www.wmamauritius.mu/invitation_bids/

<https://publicprocurement.govmu.org/publicprocurement/>

Interested parties may also submit a request by e-mail to pvprocurement@wma.intnet.mu and the Market Sounding Questionnaire will be delivered to their mailbox.

6. The completed Market Sounding Questionnaire complete with attachments requested should be sent via e-mail to the following address:

pvprocurement@wma.intnet.mu

Interested firms may also opt to submit the duly filled Market Sounding form electronically through Google Forms on the following link <https://forms.gle/3zpSdvHZ3ovs6B3w6>

7. The deadline for submission of the market Sounding Questionnaire is set for **Friday 17 November 2023 at 13.00 hrs** (Mauritius Time).
