

## **Invitation for Market Sounding to Local and International Private Promoters**

### **Market Sounding for the BOT Project for new Roche-Bois Pump Station and new Baie du Tombeau Wastewater Treatment Plant**

1. The Wastewater Management Authority of the Republic of Mauritius is inviting local and international private promoters to participate in a market sounding exercise for the implementation of the 'BOT Project for the new Roche-Bois Pumping Station and new Baie du Tombeau Wastewater Treatment Plant.'
2. The WMA, in its sole discretion, anticipates engaging with the respondents who submit responses to this Market Sounding Document to discuss their interests in the Project, skills and experience with a view to seek clarity in relation to information contained in such responses to this Market Sounding Document.
3. This market sounding exercise is not mandatory and non-participation in the market sounding process shall not constitute a ground for elimination of any party/parties in procurement stage of the Works.
4. This market sounding exercise is deemed independent and being conducted solely for informational purposes and does not constitute a formal procurement process. Taking part in this market sounding exercise will neither confer any advantages nor disadvantages to respondent(s) in any subsequent procurement processes.
5. Interested parties may download the Market Sounding Document from the WMA or Public Procurement Portal website as follows:

*[https://www.wmamauritius.mu/invitation\\_bids/](https://www.wmamauritius.mu/invitation_bids/)*

*<https://publicprocurement.govmu.org/publicprocurement/>*

6. The 'Letter of Submission' along with the completed document in the Market Sounding Document shall be sent via e-mail to the following address:

***BoT.BdTombeau@wma.intnet.mu***

7. The deadline for submission of the response is set for **28 August 2024 at 13.00 hrs** (local Time).
